

Dumont Shade Tree Commission

ARBOR DAY 2022 Poster Presentation

Design a poster that highlights a tree in Dumont!

Select a tree near your home or school. Or pick a tree in one of Dumont's parks. Design a poster about that tree that includes drawings, paintings, or photos. Find out and include what kind of tree it is. The poster should highlight how this tree and other trees benefit our community.

Participation is open to all students in grades K-12 who live in Dumont. Submissions will be on display during the **Arbor Day Celebration on April 30th** at the **Dumont Arboretum on West Shore Avenue** starting at **1:00 PM**. All are invited to attend the outdoor celebration. Submissions will be featured online LIVE during the celebration on the Dumont Shade Tree Commission Facebook page, Instagram account, and YouTube channel.

WHY DO WE NEED TREES?

Trees provide:

- habitat for wildlife: birds, bees, and pollinators
- shade & reduced cooling costs in summer
- more oxygen & less air pollution
- a reduction in rainwater runoff & basement flooding
- a reduction in carbon footprint to offset global warming
